Come Join our Circle of Friends!

Synchronized skating is the newest team sport on the ice! Teams consist of 8-24 skaters of similar age and skating ability. Synchronized skating combines all aspects of figure skating, while performing formations in an exciting program to music.

We are looking to form THREE teams in the upcoming year!

The Sapphire Team: This will be our introductory team and will be formed of skaters who are ages 5 and older and who have passed the ISI Alpha Test. ANYONE can join this team! They will perform at the Holiday Show and Spring Show to showcase all they have learned. They will also have the opportunity to skate at the Newark ISI competition.

The Diamond Team: Will be formed of skaters invited by audition and/or the coaching staff. Skaters who are considered will have *minimally* passed the **ISI Freestyle 2** test and demonstrated strong synchro basics.

The Platinum Team: Will be formed of skaters invited by audition and/or the coaching staff. Skaters who are considered will have *minimally* passed the **ISI Freestyle 4** test and demonstrated strong synchro basics and skills.

Special Notes:

- *Dependent on interest and skills we may re-evaluate how the teams are created with the skaters who commit to joining.*
- *In order to meet a minimum of 8 skaters per team, some skaters may be asked to skate on more than one team. Kristan will talk with those who might be impacted.*
