

## Our Philosophy

The Lou and Gib Reese Ice Arena staff and Instructors understand that your child comes to us with unique experiences, learning styles, and interests.

Our goal is to get to know each child and use this knowledge to teach, guide, and support him or her.

We believe that good teaching requires continual professional development, personal reflection, and collaboration

Our Instructors and staff value parental involvement and encourage parents to partner with our team to give your child the most rewarding and FUN learning experience possible

Your path to skating success starts here using the  
**ISI Curriculum**

Private Lessons  
Figure Skating  
and  
Ice Hockey

740.349.6784

## ***Why Private Lessons?***

Private Lessons are perfect for skaters seeking additional instruction outside of class or to work on specific elements and goals.

Private lessons are also a great way to try ice skating without an eight (8) week commitment to a class lesson.

Private lessons can help some skaters learn faster with one-on-one instruction.

Private lessons are used to prepare skaters for upcoming competitions and tournaments.

## ***What is the Cost?***

There are two costs to a private lesson:

Ice time  
Instructor fees

Ice time costs vary according to the type of session during which the lesson is being taught. Ice time fees are to be paid in advance of the lesson at the Pro-Shop counter.

## ***How are Private Lessons scheduled ?***

Private instruction is available at the Lou & Gib Reese Ice Arena for all ages and levels of both figure skating and Ice Hockey from our staff Instructors.

Lessons are scheduled directly with the instructors, at time convenient to both, usually in 15 or 30 minute increments.

We can assist you in contacting one of our instructors, Stop by the Pro-Shop counter for more information.

For beginner and intermediate level skaters, private lessons may be scheduled during less crowded public sessions, during Stick 'N Puck Sessions, or during Freestyle Sessions.

Private lessons for freestyle skaters must be scheduled during Freestyle Sessions.

\$20.00 for 15 minutes

## ***Introductory Private Lesson Special \*\****

Or

\$40.00 for 30 minutes

\*\*\*\*This Special is available only during a Public Skate session, one (1) lesson for the first timer / beginner lesson only and includes ice time fees. Stop by the Pro-Shop counter to schedule and pay.

Additional lessons at private lesson prices.
