Welcome to our Hockey Skating Skills Academy!

This academy is built for kids who have an interest in hockey, but may not have spent a lot of time on the ice or learned to skate. It is also for the skater who wants to be on a team, but needs to improve their skating skills. Or the skater who may be on a team, but is not a strong skater/wants to get their skill level up or just enjoy participating in a stick and puck.

Skaters will develop and improve their skating skills and receive proper training on playing related skills such as: stick handling and puck handling.

Skaters in this academy will typically be between **4-10 years old**. Skaters will be expected to wear full equipment, including hockey skates, helmets, and sticks.

If your skater is older than 10, please talk with our instructors to see if an exception can be made for them to join the academy.
