\*\*\*Intro to Competition (only offered in the Winter session)

# First Day of Class

- Please arrive 15 minutes prior to the start of class to complete registration paperwork (if not done in advance), obtain your class name-tag and instructor's name. A table will be staffed in the lobby for this purpose.
- Wear warm comfortable clothing (layers are best) that is not restrictive, including gloves or mittens. Helmets are strongly recommended for beginners.
- If you are renting skates from us, you will need to pay \$2 per lesson in the pro shop and take your skate rental ticket to the skate rental counter. A staff member will help you with the correct size and type of skates. We recommend that first time beginners wear figure skates and not hockey skates; figure skates provide more ankle support and overall stability. One pair of thin socks is recommended for the best fit.
- If you have your own skates, let us help determine if they are the correct size and type for you.
- Before class begins, practice walking in your skates in the lobby.
- We will ask skaters to enter the arena and follow the signs around to the end of the arena to enter the ice. Instructors will be there to assist.
- At the start of a new session, instructors will be introduced near the ice surface. Beginner (Pre-Alpha and Tots) level classes will begin off ice. Parents are asked to leave your skater with the instructor and to view the classes from a comfortable distance. This helps your skater stay focused on the lesson and to pay full attention to the instructor.
- Beginner level skaters (Pre-Alpha and Tot classes) are evaluated on the first day of class and grouped according to age and ability level.
- As your skater progresses thru the class series they will be evaluated by the instructors. If the instructor feels that the skater is ready to move to the next level class, you will be contacted. At the end of the series of classes, all skaters will receive a class recommendation card for enrollment in the next series of lessons.
- Each skater receives a pass to public sessions. This pass is non-transferable, and are on the skater's class nametag. We encourage skaters to practice the skills they have learned during class in order to progress to the next level of class.
- We reserve the right to cancel classes with no enrollment and/or to combine classes with low enrollment.
