- ☐ Skate Rental-$16 (7 weeks)

Early Reg. Discount=Tues.=$8.75, Sat.=$8.75 ~ Deadline: December 31st

--*-

First Day of Class

- Please arrive 15 minutes prior to the start of class to complete registration paperwork (if not done in advance), obtain your class name-tag and get your skates on. A table will be staffed in the lobby for this purpose.
- Wear warm comfortable clothing (layers are best) that is not restrictive, including gloves or mittens. A pair of thin socks is recommended for the best fit. Helmets are strongly recommended for beginners (a bike helmet will work, we also have some on hand to borrow).
- We recommend that first time beginners wear figure skates and not hockey skates; figure skates provide more ankle support and overall stability.
  - **Renting:** It is $2/lesson for rentals and can be paid in the pro shop each lesson or you can add it into your skater's class registration ahead of time. An arena staff member will help you with the correct size and type of skates.
  - **Own Skates:** If you have your own skates, a staff member would be happy to ensure they are the correct size/type.
- Before class begins, practice walking in your skates.
- We will ask skaters to enter the arena and follow the signs around to the end of the arena to enter the ice. Instructors will be there to assist.
- At the start of a new session, instructors will be introduced near the ice surface. Some Beginner (Pre-Alpha and Tots) level classes will begin off ice. Parents are asked to leave your skater with the instructor and to view the classes from a comfortable distance. This helps your skater stay focused on the lesson and to pay full attention to the instructor.
- All skaters are evaluated on the first day of class and may be grouped according to age and ability level.
- As your skater progresses through the class series they will be evaluated by the instructors. If the instructor feels that the skater is ready to move to the next level class, you will be contacted. At the end of the series of classes, all skaters will receive a class recommendation card for enrollment in the next series of lessons.
- We encourage skaters to practice the skills they have learned during class in order to progress to the next level of class.
- We reserve the right to cancel classes with no enrollment and/or to combine classes with low enrollment.

Tuesday Classes

Tuesday Evenings

6:00pm - 6:30pm (30-minute class)
Tot I, Tot II, Tot Advanced, Pre-Alpha, Adults
